NEWS OF THE SEA

NOTES PICKED UP ALONG THE DOCKS.

Five War Vessels in Port—H. B. M. S. Wild Swan and U. S. S. Adams Arrive—Other Jottings.

The schooner Ka Moi brought in a full load of No 1 circle D sugar this morning.

Tomorrow, high tide large 7:10 p.m.; high tide small 7:05 a.m.; low tide large 11:32 p.m.; low tide small 2:05 a.m.

The American four-masted schooner W H Talbot, Blum master, sailed at noon for Port Townsend, in ballast.

The U S S Adams arrived from Hilo this morning and anchored in naval row. There are now five war vessels in port: U S S's Philadelphia, Marion and Adams, H I J M S Naniwa and H B M S Wild Swan.

Wild Swan Returns.

H B M S Wild Swan sailed from Honolulu April 27; arrived at Christmas Island May 4, leaving same evening for Fanning Island. Fanning was reached May 6, and left again the next day. Washington Island was visited May 8, and Palmyra the following day, when the ship was headed for Honolulu. On the southward passage, fair wind was experienced all the way. On the return passage, steam and sail were both used, head winds and seas being had the first three or four days, after which fine weather was the rule to Honolulu.

The people of the islands were all well. At Fanning and Washington, the officers and crew of the Wild Swan were treated royally by the Greig family. Natives of Fanning Island visited the warship, singing and dancing for the entertainment of the crew. The people supplied the ship with coconuts and other fruit. On Fanning Island there are forty-two people. At Christmas Island there are six men and one woman. The Wild Swan will probably sail soon for Esquimaux. She has begun coaling. An effort is being made ashore to have her stay for the Diamond Jubilee.

Legal Equality.

The women are again moving in the state of Illinois in the interest of equality before the law. God bless them and God speed them in their righteous quest! The shame is that it is left for the women to lead. Let the men inaugurate the movement that will make for justice. This cause has lost its newness. It has had to pay full price for the crudities and extravagances that gather around every reform, but at the core the demand is a righteous one, and it must be heard, and ultimately it must triumph. Let no one lose heart and let no one delay any legitimate effort. Wyoming, Colorado, Utah and Idaho have fully enfranchised their women. "Eastward the star of (this) empire takes its way." —Chicago New Unity.

Mineral Wool.

She—What is this mineral wool one reads so much about?
He—Mineral wool? Why, that's the wool they shear from hydraulic rams. —New York Times.

Caps of linen, wool, straw, bark of trees and leather were extensively worn in Egypt and Arabia in early times and were usually of a pointed or peaked shape. The variety of headresses used by the Egyptian ladies was very great.

There are more than 300 lakes within the boundaries of Venezuela, one of the largest being 1,600 feet above the level of the sea. The Orinoco river, the largest in Venezuela, is 1,160 miles long.

Chimney—Say, Maggie, you're a wonder when it comes to cooking. You oughten to be waster yor accomplishments here, for the way you kin cook fancy dishes like liver and bacon is a perfect dream.—Truth.

Reasons Why

There are two reasons why people are now paying car fare all the way from Waikiki to the Palama Grocery and back. Reason 1. It is the only place on the Islands where the celebrated Salvation Army tea is sold. Reason 2. After paying car fare both ways patrons find they are money in pocket by dealing at this "live and let live" establishment. We also deliver goods between Diamond Head and Moanalua free.
